CO-EDITORS

ADMINISTRATION

To the Graduating Class of 1968:

I would like to wish for you the greatest success in your chosen life's work. You have accomplished a goal that many are unable to achieve. May you ever look onward and upward as you strive to enjoy life and to be a useful and integral part of the community in which you live. Your education should enable you to open many doors and serve as a stepping stone to even greater achievement in the years to come. Cherish your education with all the pride and honor you feel it deserves, for you are the sole guardian of these twelve years of continued effort. May you always remember you Alma Mater for the many hours you have struggled through joys, sorrows, tears and frustrations in making this graduation possible.
